I. Accomplish Immeasurably More—The 5 C's of Expanding Your Leadership Capacity

A. Leaders have way more inside them than they can imagine. God wants to do exceedingly and abundantly more through leaders than they can even dream possible.

Now to him who is able to do immeasurably more than all we can ask or imagine, according to His power at work within us, to him be the glory in the church and in Christ Jesus throughout all generations forever and ever! Ephesians 3:20-21

B. Leaders need fresh perspectives and mindsets when organizations are growing. They need to change their thinking or they become “lids” to their organizations. By growing capacity during this season, leaders encourage others around them to grow as well.

II. Build Your Confidence

A. Change your self-talk and avoid the language of the lid.

B. Take a step forward, out of your fears and insecurities and into building confidence.

C. Believe that you are who God says you are, not whom others (or we) say we are.

III. Expand Your Connections

A. You may be one relationship away from changing the course of your destiny.
